Need to know....

WHAT CAN YOU EXPECT FROM HIGHLIGHT VIDEO? The most important moments will be captured.

Bride and groom getting ready, décor and detail, ceremony and the couple shoot.

HOW TO BOOK: First contact me to see if I am still available on your day. I will then email you the packages and booking form. Then a 50% deposit is required with completed booking form to confirm your booking. All outstanding fees need to be paid by LATEST a week prior to date.

FOOD AT WEDDING: We do not want to pass out on your beautiful day so please be so kind and arrange seating at the reception for me (and if assistant/videographers are booked). We don't need a formal seating but will appreciate it.

TRAVEL COST: For Western-Cape Weddings, I don't ask for any additional costs for flights or accommodation. If it is within a 100km of Photographers home base (Pretoria), no additional travel fee is requested. If we need to drive more than 100kms to reach you, we can discuss and agree upon a reasonable travel fee.

ACCOMMODATION: If the event is more than 120km from the Photographer's home base, I will need to stay over if I do not know anyone in area. Accommodation will need to be organized for me (and my team) by you at your expense. This should be discussed in our meeting prior to booking for wedding so I know what to expect.
