NEED TO KNOW....

HOW TO BOOK: First contact me to see if I am still available on your day. I will then email you the booking form. A 50% deposit is required with completed booking form to confirm your booking. All outstanding fees need to be paid by LATEST two weeks prior to date.

FOOD AT WEDDING: We do not want to pass out on your beautiful day so please be so kind and arrange seating at a table for me (my assistant won't be attending this). We don't need formal seating but will appreciate it. **Some water during day will be highly appreciated.**

TRAVEL COST: For Western-Cape Weddings, I don't ask for any additional costs for flights or accommodation. If it is within a 100km of Photographers home base (Pretoria / Stillbay), no additional travel fee is requested. If we need to drive more than 100kms to reach you, we can discuss and agree upon a reasonable travel fee.

ACCOMMODATION: If the event is more than 100km from the Photographer's home base, I will need to stay over if I do not know anyone in area. Accommodation will need to be organized for me by you at your expense. This should be discussed in our meeting prior to booking for wedding so I know what to expect.
